The CREST program provides rapid access to crisis intervention services for community residents experiencing a mental health crisis. Services are recovery-oriented and time limited. CREST assists community residents in access long term supportive care and treatment.

Services include:

- ❖ Community based crisis stabilization
- ❖ Assessment with a medication prescriber
- ❖ Supportive counseling
- ❖ Support Groups
- ❖ Assistance with linkage to and enrollment in other community services, supports and benefits

The CREST Program is a partnership between Bright Harbor Healthcare and the Mental Health Association. Bright Harbor Healthcare is the leading agency.

Support Services will provide:

- Crisis assessment and treatment planning
- Evidenced-based crisis intervention strategies
- Crisis prevention planning
- Strengths-based treatment approaches
- Medication prescribing and management
- Psychiatric Assessments
- Linkage to community resources
- MHA-NJ Consumer Connection Training Program for Peer Staff

Connection to:

- Medication evaluation and prescribing
- Initial assessments and program intakes
- Identification of strengths and goals
- Treatment plan development and Wellness and Recovery Action Plan (WRAP)

Program Eligibility:

- 18 years of age or older
- Mental health distress or disorder currently interfering with life/ability to function
- Can safely be treated in an outpatient setting and not require inpatient treatment

Services Cannot be Provided to:

- Anyone under the age of 18
- Community residents currently under the influence of alcohol or drugs
- Community residents in need of medical detoxification
- Community residents in need of more intensive services than CREST provides
- Community residents enrolled in PACT or RIST
