August 21, 2023

Dear Ocean Academy Families:

I hope this letter finds you all well and enjoying the last days of summer. I am Tom Normile the new principal here at Ocean Academy. I have had the privilege of meeting many of our students during the extended school year program and can't wait to meet them all once school begins. If the summer is any indication of what the school year has in store, then we are shaping up to have an amazing year.

I have had the privilege of starting my career as a special education teacher in the lacey Township District, then moving on to administration at two local high schools, I retired from public school, then worked at a school similar to Ocean Academy for the past five years. I am excited to be here at Ocean academy and I look forward to working together with you as we assist your student as they met their individual goals and work towards graduating from high school.

For the health and safety of all students, we will be providing clear plastic back packs for student use. Students **DO NOT** need to bring pocket books, large wallets, fanny packs and etc. to school. These items will be confiscated and held until the end of the school day. The use of cell phones is strictly prohibited here at school, we understand that many students come long distances, a cell phone may provide a sense of safety and could provide music to ease the stress of the trip. Cell phones will be turned in upon arrival here at Ocean Academy, and will be returned at dismissal time.

Enclosed please find important paperwork that needs to be returned to us on our first day of school.

We will begin the school year on September 5, 2023 at 8:00am. As in the past, our first day is a full day of school which will end for students at 2:00pm. Please keep an eye out for correspondence from your home district regarding transportation and pick up times.

I look forward to meeting you all and wish you a great remainder of the summer.

Sincerely,

Thomas M. Normile, Principal
